

# **CLUB CHAMPIONSHIPS – GUIDE**

All games. Club shirts please!

Your fees should be paid before your first match. Peter Morgan , Club Treasurer often at club collecting lottery number fees and also will be at club most Saturdays to start the Club session. Presidents Cup and Drawn disciplines are FREE TO ENTER but the other disciplines remain Eur5 each.

If you unable to play your match on the given Play On date then you must arrange to play the match **BEFORE** that date. For rearranged Singles games find your own marker or speak to me to arrange one for you. **It would be very helpful if any matches moved to an earlier date are notified to me** so I can update the matches guide for players and spectators.

Bad Weather – In the event the green becomes unplayable during a match then wait a reasonable time for conditions to improve. If unable to complete the match, in all disciplines **EXCEPT SINGLES** if 12 ends have been completed then the result at that time is final. In Singles you must arrange to come back and finish the match as soon as possible.

Where there are multiple matches at the same time I will normally be there to prepare and give out scorecards. For individual matches complete your own card which must clearly show. Date, Rink No, Full players names, the discipline name across the top of the card and most importantly both players / Skips must check and sign the card.

**FOR ALL ROUNDS UP TO AND INCLUDING THE SEMI-FINALS YOUR RINK MUST BE DRAWN FROM ALL 6 RINKS.** Wherever possible ask an independent third party to make the draw for you.

Markers – Wherever possible use qualified markers as per list on notice board at club. However I have already made it clear that experienced will need to be available to help out. It is allowed for husband to mark wife (or vice versa!)so long as both players are happy for this to happen!

All matches with dates are now available on our website – [www.elcidbowlsclub.net](http://www.elcidbowlsclub.net)
